Section 1

Opportunity Description

The following **Basic Duties** apply to all VSP Camp Hosts:

1. **Customer Service** – as a representative of Virginia State Parks, the host will extend polite and informative customer service to park guests, and serve as a role model for campground conduct. The host will greet and introduce themselves to new arrivals in the campground, and maintain a clean and orderly camp site.
2. **Bathhouse** – bathhouse cleanliness is **not** the primary responsibility of the Host. The host is limited to minor upkeep & sanitation roles in the bathhouse. These duties may include monitoring the state of supplies (i.e. Toilet paper, soap, and towels) contributing to the general tidiness of the facility/surrounding grounds, and reporting other maintenance needs to park staff.
3. **Service Hours** – Each Host placement, whether composed of one or multiple volunteers, will offset the labor of at least one part-time employee. This is quantified at **30 hours of service per week** mandatory. In instances of Host placement with multiple volunteers (spouse teams, families, etc.) these 30 hours may be shared among the members of the host party. *We frequently see and strongly encourage that hosts, especially in groups, contribute above and beyond 30 hours per week.*
4. **On-call Status** – The specific nature of the Host's on-call status will be determined through cooperation between the Host and Park staff.
5. **Conflict Resolution** – While the host may monitor the campground for disturbances and conflict between parties of guests, it is **not** the primary responsibility of the Host to finally resolve these disturbances, or to enforce quiet hours within the campground. The Host will be provided with instructions about how to get in touch with park law enforcement to carry out the direct enforcement of park policies.
6. **Operation of equipment** – The Host shall not be *required* to operate machinery including but not limited to lawn mowers, weed-whackers and chain-saws.
7. **All other duties** – All other Host duties are defined by the Park Staff and the Volunteer Host based upon Park requirements and Host ambitions provided they do not conflict with items 1 – 6 of the Volunteer Host Program Basic Duties.
